

Program C: Transportation

Program Authorization: R.S. 17:158

PROGRAM DESCRIPTION

The mission of the Transportation Program is to provide financial assistance for nondiscriminatory, state-approved nonpublic schools to transport nonpublic school children to and from school.

The goal of the Transportation Program is to equitably distribute the appropriated level of state support to the local school district for providing transportation services to eligible nonpublic school students.

OBJECTIVES AND PERFORMANCE INDICATORS

Unless otherwise indicated, all objectives are accomplished during FY 2001-2002. Performance indicators have two parts: name and value. The indicator name describes what is measured. The indicator value is the numeric value or level achieved within a given measurement period. For budgeting purposes, performance indicator values shown are for the prior fiscal year, the current fiscal year, and alternative funding scenarios (continuation budget level and Executive Budget recommendation level) for the ensuing fiscal year (the fiscal year of the budget document).
